### Meetings Increase Awareness of Facility Planning

89 households (51% of our congregation) attended one of four presentation/dialogue meetings on September 24, 26, October 2, 5. We have already received 71 comments and questions from attendees, during and after the meetings. These will be carefully reviewed and considered by the Feasibility Study Planning Team and our Ministry Board.

The dialogue in the four meetings was helpful in gathering questions and concerns that we want to research and share with all Peace Lutheran members after the Feasibility/Planning Study completes the confidential interview and written survey phases. Our overall goal is to create a fiscally responsible, forward-thinking, and comprehensive plan for our facilities.

We want to thank those who attended the presentation meetings for your interest and willingness to learn about the proposed facility expansion and to help shape our future through your constructive comments and questions.

We are forwarding copies of the presentation document to all members who were not able to join us for a meeting. Please continue to offer your comments, questions and observations via the comment sheet found in the document. You may also share your thoughts via letter (mailed to the church), email (plc@come2peace.com) or follow the QR code to complete online. Thank you.

There is much work to be done and, with your support, we will create the best plan to help shape our future. Anything is possible with the Lord's direction and guidance, the hopes and dreams from our Peace Lutheran congregation, and the will to do what is best for today's generation and those who follow us. Thanks again to all who attended the meetings. Please contact us if you have any questions.
