IT CAN'T BE BACK TO S_____! *My Oh My How Summer Time Flies By*

These are the "Glory Days!" of summer. Bright blue skies, puffy white clouds, lush green fields, sumptuous gardens, warm temps, and decent humidity – yes, glorious summer days. Ahhhh!

I pulled into a good parking spot at Target, then walked into the store looking for some "bug spray" and a few items for summer grilling. All around the store, summer items are moving to "clearance" and "closeout." Shelves are being emptied and new merchandise is being put in their place. **BACK TO SCHOOL is everywhere!**

The same is true at church too. We are wrapping up our summer mid-week worship series, "The Fruit of the Spirit" and at the same time we are planning for "Rally Day" (Sunday, September 9), the Pie Auction, the start of Sunday School & Confirmation, and the Women of the Word event. I wonder sometimes if we aren't the victims of our own need to fill a calendar with hyper scheduling. I feel a twinge of guilt if I'm not helping make everyone busier than the year before.

Three times in the Gospel readings for these past Sundays, Jesus had to get away from the crowds, so he got in the boat with the disciples and headed out on the lake. Summertime and getting away from our work is important to renew our spirit as well as rest the body.

In Mark 6:45, Jesus, "immediately" after feeding the 5000, "made" his disciples

get into the boat and go. Jesus knew when it was important to set aside the work and get out on the lake, so to speak. After dismissing the 5000 he went up on a mountainside to pray – physical and spiritual rest is necessary for our faith and life.

Our worship together is a time of spiritual renewal, we hear the Gospel proclaimed, we remember God's great love for us in Jesus, we hear that in God's grace we are forgiven. We are renewed in the body and blood of Jesus in Holy Communion. Worship is a getting away from our work, our schedules so we can find peace. Maybe that's why old churches are designed like upside down boats. Come, get in the boat and worship!

In the coming weeks you will receive many emails and updates from the church. I encourage you to look at them, add them into your schedule, and mark your calendars. We have a great fall being planned with many opportunities to share in fellowship, grow in God's Word and serve those in need.

I know it should go with out saying but please remember to pray. Pray each day. Pray for our friends on our prayer list. Pray for our church and its ministry. Pray for our nation and its leaders. **Lastly, pray for summer to hang on a few weeks more!**

Pastor David

“...and place in their hands the Holy Scriptures”

At a child's baptism, parents, sponsors and the congregation make a promise on behalf of the child to place in their hands the Holy Scriptures and provide for their instruction in the Christian faith. We do this together at two important times in a child's life. First, parents present their third graders with a "Children's Bible" which is filled with colorful helps and questions suited for young learners. Secondly, we present a "Youth Bible" to our seventh graders who are entering the "Ignite" Confirmation program.

We want to congratulate these students on receiving their new Bibles this year. We invite you to join us in worship on Sunday, September 16th as we share the gift of God's word with these young people and their families.

3rd Graders: Landon Johnsrud, Chloe Knutson, Hayden Meuleners, Vienna Miller, Olivia Pederson, Aaron Seefeldt, Casey Stuntebeck, and Addison Weaver.

7th Graders: Emily Hanson, Ava Heun, and Jackson Pawelk

Make a Difference!

Starting August 26th, as you enter the Commons at church, you will see a table with all the gift Bibles displayed. Next to each Bible will be the student's name and picture who will be receiving it. Share your favorite Bible verse by highlighting it in the Bible and putting your name next to the verse. It's O.K. to write in these student Bibles, we are encouraging them to do this as well. You can also share a prayer for these students by taking a colorful Post-It Note and writing a prayer on it and posting it in their Bible. By getting many "favorite Bible verses" and "colorful prayers" shared in each Bible, we will be showing our young people that we support them in their study of God's word for their lives.

On July 19th, several volunteers left Peace for Feed My Starving Children in Chanhassen. In all, 216 boxes were packed which equals 26,656 meals (*Peace packed 52 of those boxes*). This will feed 128 children for an entire year. These meals cost \$10,264 to make (amazing).

Peace volunteers pack meals at Feed My Starving Children quarterly and would love to have you join them. This is a great volunteer opportunity for anyone ages five and older. They have jobs for all ability levels. At this packing event a ten year old was having her birthday party packing meals and each of the kids did a great job and had a blast.

Consider joining us in October. Watch the bulletin and newsletters for the next packing event.

Vacation Bible School 2018

By Tracy Hulley

Every morning during the week of June 11-15, by 8:45 am, we had 63 VBS kids, 17 Youth Leaders, 7 Bible Study Leaders, 5 Rotation Station Leaders, 4 Snack Providers, 1 Concession Stand Boss, 1 Music Leader, 1 Pastor, and numerous 'extras' to help where needed!

After starting with a song and our opening worship rally, the kids went to their designated Bible study areas, which were incredibly decorated! Following Bible study, all the kids again gathered in the sanctuary for music. Then the rotations began - recreation, crafts, and missions. In between rotations, the kids were given delicious creative snacks to keep them going! Finally, we all met back in the sanctuary for our closing worship rally.

The VBS mission this year is the Watertown Mayer Special Olympics Unified Sports Club (The Unified Club). Learn more about this mission on page 6.

The t-shirts and music CD's were a hit, as were all the rotations and the people who made them possible, but the biggest hit was the message: "GEAR UP! GET READY! GAME ON!." The kids left knowing that Jesus cares, gives hope, believes in each child, loves them, and gives joy. What a great reminder for all of us!

Thank you to everyone who made VBS AWESOME!

From those who came and helped, to those who provided items or gave monetary donations. I hope each of you know how grateful I am, and our committee is, for your help.

An extra special thanks to the VBS Committee who planned a very special week for so many - Karen and Robert Lotito, Nicole Johnsrud, Shawn and Joseph Perez, Rachel Lotito, Shelby May, Meghan Weaver, Melissa Stuntebeck, Heather Heun, Barb Schansberg, John and Sharon Weinzierl, Maggie Grosshuesch, Pastor Hanson, and my co-leader Ben Simon. It simply could not have happened without you! Thank you.

Finally, if you'd like to see more photos of our week, visit the church Facebook page.

VBS Mission

This year VBS supported a local mission — The Watertown-Mayer (WM) High School Special Olympics Unified Sports Club. This club serves students from the surrounding communities who attend WM High School.

The Unified Club unites Special Olympics athletes (individuals with intellectual disabilities) and partners (individuals without intellectual disabilities) as teammates for training and competition. By bringing students together, we are encouraging understanding and compassion for the differences in others, which creates a changing culture in the school and the community.

Seth Juncewski, along with the coach and several of the students from the Unified Club, came to talk to the students about the importance of the program and why they are involved.

The VBS mission team started the week with a goal of \$200, but the kids flew past it on Tuesday. On Wednesday the team upped the goal to \$400, but once again, the kids surprised everyone by exceeding the goal.

The team decided not to set anymore goals, but instead stood back and cheered the kids on. Everyone was so amazed and humbled at the generosity, energy, and excitement that the VBS kids and their families had for this mission. Some kids even donated money they had been saving for something special.

And lest you think that only the kids helped, the adults stepped up as well. There was a special offering on Sunday after VBS, and there were two donations from family members of VBS kids who saw the Facebook post and wanted to participate (see the notes below). In all, they raised \$1,400.16. There was so much momentum and excitement surrounding the mission that the local newspaper heard about it and wrote a cover article about PLC's VBS and the mission.

This mission donation was such a blessing to the Unified Club. They are a part of the Watertown Mayer School district but do not receive any funding for the program. This will help to purchase needed sports equipment and uniforms, pay for travel expenses and tournament fees, and so much more. Thank you to everyone who helped! You truly are the hands and feet of Jesus.

Enclosed is a check in the amount of \$100 from Tori and Wyatt's great aunt me me. I am so proud that Tori and Wyatt are involved in this worthwhile mission and anxious to hear future updates. It is so refreshing to see God's children filled with so much love and laughter. Thank you for everyone who organized this event. Jan Campbell

Watertown Mayer Unified Sports Club,
Please accept this donation to your Sports Club to help further your excellent cause. Please credit my favorite great Niece and nephew with \$25 each for their fundraising efforts. They are Tori & Wyatt Springer!! Favorite Great Aunt Annie — My Best to All involved in this Program. P.S. The design on the front of the card reminded me of an Olympic Torch, NOT a Tree. Check the words out.

Josh Peterson led his 1st J.A.M. and Derek Dressel participated (while snuggling with Aunt Ella) in his 1st J.A.M on July 15th.

Nicole and Addison Johnsrud sang "An Ephesian Prayer" for special music on July 15th.

On June 10th, several members went to Faith Day at Target Field. It was a beautiful day to watch the Twins play the LA Angels. After the game, there was a time of worship with the Eagle Brook Church worship team and testimonies by Brian Dozier, Kyle Gibson, and other Twins players. Thank you to Hospitality Team for organizing the event and to Glen Hulley for driving the bus to Target Field.

The Lindberg girls enjoyed fellowship after worship.

On July 14th, we had our first-ever Peace Lutheran booth at the Mayer Rising Community Festival with the signature yellow VW bug behind the booth. It was a great event with a big turnout. They made cotton candy for the kids and gave away water and church information. A special thank you to everyone who helped: Bob & Cathy Rieckenberg, Mary Ann Hoese, Jamie, Jessica, and Peyton Feltmann, and Pastor David & Stephanie Hanson. We appreciate all the time you put into this event.

July 21st was a beautiful day for the Rails to Trails parade. PLC had its annual float in the parade.

Thank you to those who helped plan, decorate, and walk the parade route.

Thank you to the Essigs for the use of the yellow VW bug for both the parade and Mayer Rising Community Festival.

A special thank you to Emily Peterson for coordinating the parade details.

Tracy Hulley chaperoned students on a German Exchange Trip. In this picture they are visiting King Ludwig's Herrenchiemsee Palace in Chiemsee (southern part of Germany). Pictured from left to right: Isaac Tesch, Tracy Hulley, Gina Wasser, Jackie Wasser, Vanessa Schroeder, and Hannah Hulley.

Karen Hoernemann & Ruth Clark, performed with the rest of the Delano Community Band during Delano 4th of July Days.

There was a Sand Hill Crane family that visited Peace this summer.

This spring Rylee May raised money for children's cancer research (through the St. Baldrick's Foundation). She said if she reached a goal of \$1,000 she would shave her hair off. Well, as you can see, she not only made her goal but exceeded it—raising \$2,000. She is also donating her hair to an organization that makes wigs for children with hair loss. Great job, Rylee, we are all so proud of you.

We thank God for these precious gifts and pray that He will watch over them all the days their lives.

Announcements and Thank You's

Did you know that Peace Lutheran gifts quilts to high school graduating students and various veterans' homes. There is currently a small group of ladies who make these quilts and they are looking for help. Here are some ways you can help:

✂ **Do you quilt or sew?** Quilts are simple. If you can sew a straight line, you can make a quilt.

✂ **Don't sew but want to help?** Quilters could also use help with cutting material, tying the quilt, and more.

✂ **Donations are also gladly accepted.** Do you have material taking up space in your house? Why not donate it for these special projects. Do you like to garage sale? Be on the lookout for quilting materials. We had four graduating boys this year and will have at least four again next year so "boy" material is especially needed.

Contact Joan Nesvold, Sharon Weinzierl or Lillie Tesch if you have questions or can help.

J.A.M. and Welcome Crew Orientation

Our volunteers are the backbone of Peace and everything we accomplish. We want to make sure our volunteers have the resources and support they need to be successful so we are offering volunteer orientations. These orientations are a great opportunity to meet other volunteers, learn from each other, share resources & ideas, and answer any questions.

J.A.M. and the Welcome Crew will be the first volunteer orientations. Because the volunteer groups are bigger, we are offering two date options for each so choose the date that works best for you.

- J.A.M. Orientations are Aug 13th and Sep 6th at 6:30 PM
- Ushers and Greeters Orientations are Sep 4th and 20th at 6:30 PM

Also watch for the upcoming Peace Café Orientation.
