

Columbarium Committee Annual Report

Due to the fact that the land owners surrounding our property and the City of Watertown are not interested in a traditional cemetery, it made sense to consider the alternatives. In January of 2016, the Ministry Board asked that a committee be formed to consider our options. It was quickly discovered that the popularity of cremation, a columbarium may well be the answer. According to the industry, over 50% of deaths in the State of Minnesota result in cremation. This figure is expected to increase to over 85% within 15 years. It really boils down to economics as the expense of the traditional burial is much more expensive than cremation.

The question then becomes, what to do with the cremains? Three options are possible. The cremains could be stored in one's house, they could be scattered on a favorite lake, park or mountains, etc., or they could receive a very dignified placement into a niche of an impressive columbarium facility.

At the annual meeting this past January, a short presentation was given to the congregation to determine what interest, if any, the congregation had in a Columbarium on the Church property. Several people indicated that although the idea was intriguing they had made other arrangements or had family plots elsewhere. In anticipation of this concern, It was revealed that that a Memorial Wall with a plaque with the deceased's name, date of birth and date of death would be available. It was estimated that a plaque would cost approximately \$500 while a two person niche would cost between \$1,500 and \$2,000.

A survey was distributed to the congregation to measure the amount of interest in the Columbarium idea, how much would they be willing to pay for a niche, how much would they be willing to pay for a plaque and who would be interested in joining the Columbarium Committee? The response was very impressive. Of all the responses, only one indicated that he/they had no interest and 8 people expressed interest in being involved in the committee. These people include the following: Cathy Rieckenberg, Cary and Heidi Thaemert, Doreen Seal, Mary Hausladen, Jerry Hendricks, Paul Knutson and Butch Essig.

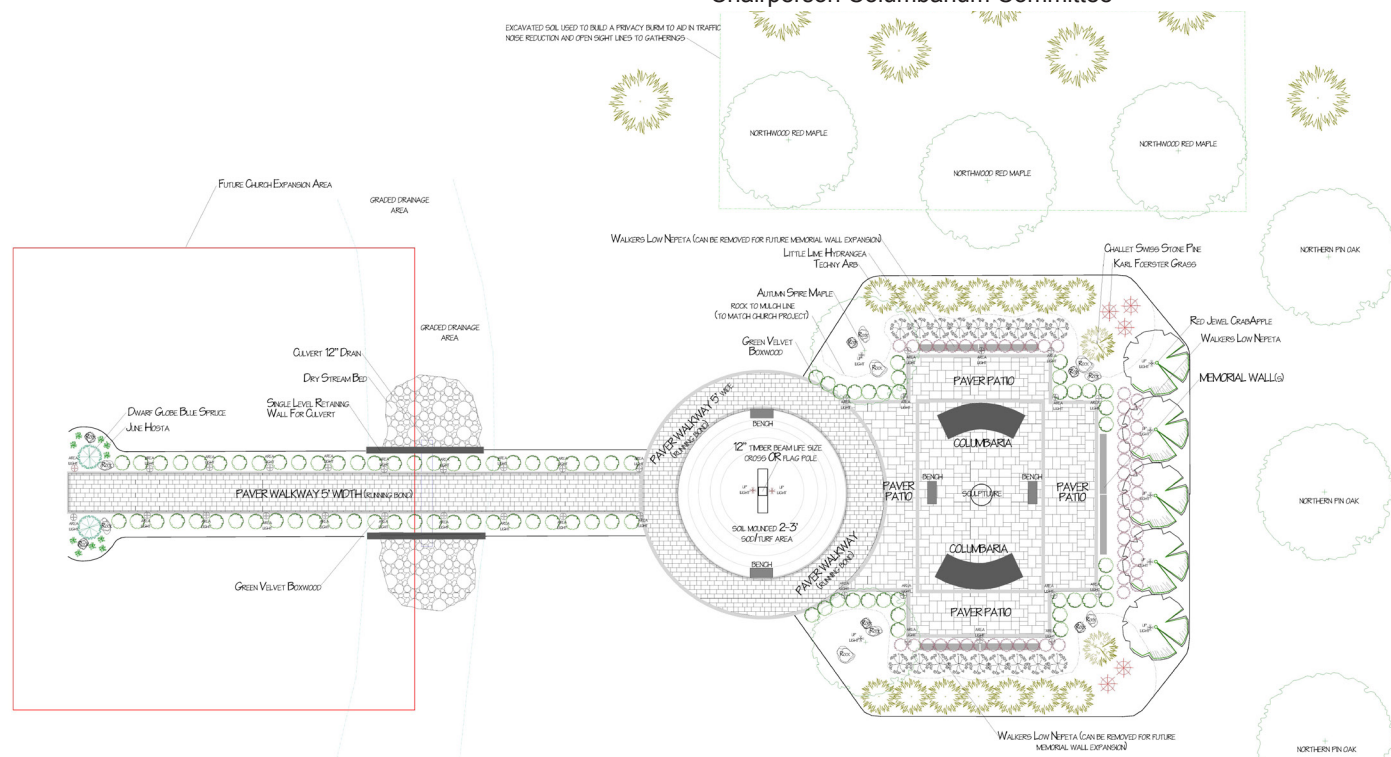

Since the plans for the Church expansion were to be submitted

to the City in April, we had a sense of urgency to complete our work so it could be submitted at the same time as the expansion plans as this would save the Church a considerable amount of money. We met weekly during the months of February and March to meet the April deadline. The City asked for our input on the City Ordinance which needed to be revised. Although the Ordinance was changed and the Columbarium received conceptual approval, we still need to go back and request an approval from both the County and the City. However, before this happens the project needs to be approved by both the Ministry Board and the Congregation.

Since the Church expansion was scheduled to start in April, and we needed to generate a significant amount of money to furnish the addition, and the fact that funds needed to be generated for the fiscal year 2017, the Ministry Board asked that we put the project on hold until 2017. Since the Ministry Board was apparently impressed with the work on the Columbarium Project and since we had time on our hands, we were asked to consider options for the rest of the Church property. Jon Peterson and Robert and Karen Lotito joined our newly named group – The Exterior Planning Committee. We conducted a congregational survey for suggestions. The results were as follows: Outdoor wedding area which could also be used for badminton, volleyball, bocce ball court, and croquet area. A play court, fire pit, prayer walk and storage area were also considered. These ideas were discussed with Otten Bros. who very effectively put these ideas on paper. The committee was very impressed as was the Ministry Board. However, these plans are considered Phase Two but will be submitted to you for your perusal and comments. No estimates on costs were developed.

Please note that the Columbarium Committee will have a large plat map on the Columbarium area (Phase One) by the entry of the Church at the Annual Meeting. Thanks to the input of the Ministry Board, several modifications have been made to the project. Any comments, ideas or suggestions you may have will be warmly received. Please feel free to contact any of the above listed committee members.

From President of the Congregation ... Kristi Mittelstaedt

As members of Peace, we have a lot to celebrate and for which to be grateful. This past year has shown our ability to adapt and accommodate. When the path wasn't always clear, we simply stuck together and let God lead the way. Last year at this time, we were preparing for construction of the classroom addition. We had hopes of what the added space could do and we knew it meant many opportunities, yet there was much to do to get it built and furnished. With the work of many, especially the dedicated I-Team, the project is basically complete. From the initial contract negotiations to the occupancy permit, it was a large undertaking and they did a wonderful job. As the project moved forward, our entire congregation was required to adapt and make due while under construction. We worked together to make it all possible and that is something to celebrate. As we see how the new space can expand our ministry, we often wonder how we made do without it. It soon became clear that additional items were needed beyond bricks and sticks. We established a fund for Move-In Costs. We asked the congregation to financially support this fund to allow Peace to truly utilize the added space. The Board was humbled and amazed at your response. As you know,

we exceeded our goal and pressed on to get the work done. Many worked hard to finalize cost, secure the work and get the installations complete. With the physical changes to our building came many opportunities for expanded programs. Again, the members of Peace responded and made it look easy. Programs related to our youth and outreach to the community have been well received. Looney Lutherans held two fantastic shows. VBS this year was a huge success even with the construction. Members of Peace worked together to make this

another fantastic year for the kids. The Spark Program continues to bring in families from the community and they have such an amazing experience, they can't wait to return. The music here at Peace makes the worship experience such an uplifting time. The children's choir, adult choir, solos, duets and the incredible Christmas program. A praise band was recently added and we are tapping our toes each Sunday. Thank you to all those who share their God given gifts with all of us each week.

Great job to all of our Ministry Teams who quietly work behind the scenes. Outreach has had a busy year with many large events and of course those wonderful

In working to keep everything organized, Pastor Hanson is a faithful leader. His organization, dedication and fantastic sense of humor have been imperative to our growth. Thank you to Pastor for working so diligently with the resources you have and tirelessly ensure things go without a hitch! As we move into 2017 prayerfully consider the leaders of Peace as they seek to hire an Administrative Marketing position. This role will be necessary to ensure tasks are completed timely and offer support for Pastor in his role. A heartfelt thank you to Sue, Judy and Marty for all the time and effort they put forth to ensure our finances are orderly and properly accounted for. They do a great job and we are truly blessed to have them. A special thank you to John Weinzierl as he steps down from the Ministry Board. Your hours of dedication have made Peace a better place. Proposed to change the term of the Nominating Committee effective January 29 th , 2017: CHANGED LANGUAGE

B7.02 A Nominating Committee of six (6) voting members of this congregation shall be elected by written ballot at the annual meeting for a term of ~~one (1) year~~ two (2) years. The Nominating Committee shall be filled by three individuals elected to a one year term, and three individuals elected to a two-year term. Members of the Nominating Committee are not eligible for consecutive re-election or to run for elected office while serving on the Nominating Committee.

Proposed to change to add the Statement on Marriage and Human Sexuality effective January 29th, 2017: ADDED LANGUAGE

A2.08 Our Faith Based Policy on Marriage and Human Sexuality

Without hesitation, Peace loves and welcomes all people. We are all children of God. Whether we are straight, gay, lesbian, bisexual, transgender – we are sinners in need of God’s grace. As a church, we stand against the oppression and bullying of God’s people. We know, at times, self-righteous and legalistic Christians can be judgmental, and such behavior is both outrageously unfaithful and a gross misrepresentation of Christ’s love. Peace welcomes and loves all people regardless of their sexuality. At the same time, we reject the assumption that love comes with the qualifier of full agreement with all behavioral choices. We believe that – according to Scripture, and in unity with nearly twenty centuries of Christian teaching – God established marriage as a holy union to be shared between one man and one woman.

While we recognize and respect the laws of our government that extend civil marriage privileges to same-gender couples, as a church we are bound to the laws of God, and therefore cannot in good conscience step outside those boundaries to host a same-gender wedding in our church building, or preside at a same-gender wedding offsite.

PEACE POLICY REGARDING SEXUALITY

We believe that Christian marriage is a sacred institution ordained of God for the happiness of mankind and the propagation of the race. It is the spiritual and physical union of one man and one woman (as they were born); this is the only legitimate sexual relationship and, according to the scriptural ideal, is to be broken only by death. Accordingly, this Church, it’s Pastors, staff and members, will not recognize any other union as a legitimate marriage. Our Church and staff shall not perform or participate in any same-sex marriage or unions of any kind. Church facilities shall not be used for such purposes or any function which may be perceived as “Celebrating the Sin”.

Church Practices Derived from This Policy

Applicants for weddings performed by church staff:

1. Applicants wishing to have a ceremony performed by the Pastor of Peace or to use the church facilities for their wedding shall affirm the statement of faith regarding marriage and human sexuality and shall conduct themselves in a manner that is consistent therewith.
2. Applicants shall participate in premarital counseling by the Pastor employed by this church or other persons who, in the sole opinion of the pastoral staff of the church have the appropriate training, experience, and spiritual understanding to provide such counseling. All pastoral staff, counselors or other persons providing premarital counseling shall affirm the Statement of Faith of this church on Marriage and Human sexuality.

Use of Facilities

1. Any marriage performed on church premises shall be officiated by an ordained or duly licensed member of the clergy. Any officiant not employed by the Peace Lutheran Church shall serve at the discretion of the pastor or Ministry Board.
2. Clergy assisting in marriage ceremonies on church premises, and not employed by the church, shall not be required to affirm their agreement with the Statement of Faith on Marriage and Human sexuality adopted by this church. Yet we require that they conduct themselves in a manner that is respectful of the statement.
3. Clergy and staff assigned by the church to implement the procedures contained in this Marriage Policy may, in his or her discretion, decline to provide church facilities for, and/or decline to officiate at a ceremony when in his or her judgment, there are significant concerns that one or both of the applicants may not be qualified to enter into the sacred bond of marriage for theological, doctrinal, moral or legal reasons.

Membership, Leadership and Staff:

1. Every Pastor, board member, or employee, hired by the church shall affirm their agreement with Peace’s Statement of Faith on Marriage and Human sexuality and conduct themselves in a manner that is consistent therewith.
2. The Ministry Board will be asked to affirm their agreement with the Statement of Faith on Marriage and Human sexuality and shall conduct themselves in a manner that is consistent therewith.
3. Church leaders, teachers and members are expected to teach and live in a manner that is consistent with this policy.

Pastor’s Report ... Pastor David

We always thank God for you, brothers and sisters, and rightly so, because your faith is growing more and more, and the love all of you have for one another is increasing. 2 Thessalonians 1:3

“I’m so very thankful...” These were the opening words by the Valedictorian to the graduating veterinarians at the U of M, including my niece. As he spoke at the podium, he went on to recount the many people - professors, staff, and family that had helped him to become the person he was today and that their influence would continue to guide him into the future.

“I’m so very thankful...” The Apostle Paul speaks of such thankfulness. He offered his grateful heart to God for those in his life that have meant so much. He believed that God had provided so many good friends and co-workers in the gospel for the expressed purpose of carrying out all that God had asked him to do. He saw them as partners in that ministry, walking side by side with him, whether physically walking with him along the many miles of road he traveled or with him in prayer or in support, or in the common task they shared. Their names ring out from his letters he wrote.

“I’m so very thankful...” For me, this year has been the most incredible year. I too, give thanks to God for those who share in this ministry together. I’m thankful for an incredible congregation that always surprises me. You are open and willing to try new things and to see things in new ways. Your generosity is amazing! When asked, you step up and say “we can do this” and show us that you mean it by sharing your gifts of support. Your prayers hold us together and renew the Spirit within us. You share readily your affirmation when

we’ve hit the mark and your wisdom when we’ve missed the moment. I’m so very thankful for each of you here at Peace.

“I’m so very thankful...” I’m thankful for the Ministry Teams I work with. You all care so very much about what God is doing at Peace and give of yourselves so generously. I’m thankful for our Ministry Board, President Kristi Mittelstaedt, the I Team and all of our leadership, who have focused faithfully on our future at Peace. I’m thankful for Sue Beulke and Judy Jacobson and the hours of time they put in to manage the details. I’m also thankful for our confirmation students and their teachers, Colette Thorson and Jon Peterson. I’m thankful that I can be a part of SPARK, VBS and the Children’s Christmas Program. We have such wonderful children, filled with energy and joy. It keeps my spirit young. I’m thankful for all of these and so many more.

“I’m so very thankful...” Lastly, I’m thankful to God for taking my life and renewing in my heart the joy of serving that may have become empty if not for God’s intervention. I’m thankful for the power of the Holy Spirit for

Pastor David Hanson

every gift given when necessary to open my eyes to the miracles possible, instead of the doubt of limited possibilities. I’m thankful for Stephanie, for her deep understanding of things greater and her heart to be my partner in the crazy world we call “David & Stephanie’s life.” I would not be anything without her at my side. Yes... without a doubt... I’m so very thankful...

Humbly...
Pastor David

Erik Strand

Hi, My name is Erik Strand. My wife, Sarah, and I live in Mayer with our two fur babies, Bear and Ruger. We have a baby on the way as well. Sarah and I were married at Peace by Pastor Hanson in September 2015. We both are involved in various activities in the church from Youth to Technology. In my spare time you can find me running/walking our dogs, hunting, fishing, sitting in the garage, dressing up as a t-rex, or just hanging out. I am originally from Plymouth and attended Plymouth Covenant Church growing up. Prior to finding a new church, Sarah and I "church hopped" for about a year before stepping into Peace. It was the one-of-a-kind atmosphere that made us come back and stay. I am running for Ministry Board because as PLC grows, we will encounter more and more younger couples, young families and I think it is imperative that we continue to grow our Christian Education and Youth programs so as kids go through our programs, when they leave for college, they want to come back and not just come back for their parents. I am originally from a large Church and feel like we can utilize some of their ideas to benefit PLC and continue our ministry by sharing God's love by serving our community and our world. Thank You & God Bless, Erik

Beth Seefeldt

My family has been at Peace since it's beginning. My husband Tim, our four children and their families, are charter members of Peace, and feel like part of the Peace family and want everyone who enters Peace's doors to feel that also. My background in church involvement goes way back to before I had our children (31+ yrs.). In my former church, I had taught SS, confirmation and VBS. I served on many committees and directed the VBS program for many years. Caring for the altar and playing in the bell choir was a joy. Leading Bible Study and serving funerals, etc. was very important. All of this happening while raising our four children, driving school bus and doing wedding work. The move to Peace was an opportunity to take a break, to enjoy my growing family and find time to rest and reflect. I now am serving on the Hospitality team with renewed vigor, while making new friends, planning and executing new ideas. I look forward to serving and helping at Peace where God calls me. God Bless, Beth Seefeldt

Harlan Sundblad

My name is Harlan Sundblad and I am a charter member of Peace Lutheran Church. My wife Carole and I have been married 53 years and have 2 married sons and 6 grandchildren. I was a machinist for 27 years and have farmed for 40 years, and continue to crop farm with my son's help. I served 1 term on Council at Trinity Lutheran while a member. We enjoy our grandchildren, biking, camping, and traveling. I previously served at Peace Lutheran on the nominating committee and ushering, and am currently on the finance committee. I would be honored to serve on the ministry board.

Duane Swenson

I am Duane Swenson and have been married to Doris for 53+ years. We have three grown children and 7 grandchildren and 1 great grandchild on the way.

I have been retired for 16 years but still work part time at the golf course. We enjoy going south in the winter for two to three weeks.

We have been members of Peace Lutheran for about two years and the last year have served as ushers and greeters.

I Team

I Team Report

With the generous donation from the Berg Family Trust Fund, Peace was able to build a much needed addition. The I Team was formed in June 2015 consisting of Tracy Hulley, Kathy Berg, Paul Nesvold, Andy Johnsrud, Norm Bauer and John Weinzierl. Much needed assistance was given by Kristi Mittelstaedt, Rob and Linda Berg. Church ministry teams were consulted to assess their wants and needs. Nor-Son Construction was hired to design and build the addition. Construction started the first week May, 2016 and occupancy/use was granted the first week of September, 2016. One of the big concerns for the project was the handling of the storm water and the cost to do so. Otto Associates civil engineers devised a water management plan that minimized costs. As a result of their plan the church now has a rain garden on the north side of the church and on the east side of the property set aside 1.5 acres of land into a Conservation Easement Agreement with the Carver County Soil and Water Management Organization.

With a strong commitment and cooperation of Nor-Son there was very little disruption of activities at the church. The I Team would like to thank the congregation for their patience and understanding during construction. The congregation stepped up in a big way by providing funds to finish the project with items needed in the addition.

Respectfully submitted by I Team Chair, John Weinzierl

Marla
Erickson

My name is Marla Erickson. Most of you may know me as Peace's Adult Choir director and special music coordinator, roles in which I have joyfully served for several years now! My husband Tom and I have been worshipping at Peace Lutheran in Watertown for three years now. I currently have two jobs: One is as a flight attendant, for Delta, based here at MSP, flying approximately three days a week. My second job is a home-based business I have held for over 30 years, and that is as a deposition editor for court reporters. While my main gifts lie in music ministry and am a member of the Worship & Music Committee, I have also been involved in teaching VBS, helping teach/rehearse music with the children's choirs, supported SPARK Kids Club with meal preparation, participated in Feed My Starving Children, the December Women's Luncheon and other non-musical endeavors. In running for nominating committee, I feel I have gotten to know the good people of Peace and where some of their interests/talents/spiritual gifts lie, and would welcome the opportunity to serve in this role. I am honored to have been asked.

Karen
Lotito

My name is Karen Lotito and I have been a part of Peace Lutheran church since 2010. I have been married to my husband Robert for almost 24 years and we have 3 girls. Rebecca is 22, Rachel is 21 and Robyn is 19. We moved from California to Minnesota 8 years ago when Robert retired from the military. We have been very involved in the church over the past few years and would love to continue serving Peace in the next years to come. Thank you, Karen

Phil
Schansberg

Phil is a lifelong member of the Lutheran faith and a Charter member of Peace Lutheran Church. He has lived in the area since 1973 and a retiree from Honeywell. Phil and Barb were married at Trinity and between them they have six children, 11 grandchildren and 2 great grandchildren. He has served on Church Council, Cemetery Board and Christian Education Committee. He is an ardent believer in God's word and truths and looks forward to serving Peace, our Lord and the community.

Mary
Barfnecht

Dear Peace Ministry Board and members, I was contacted by Carol Sundblad to possibly serve on the nominating committee. I would be interested in serving in that capacity. Don and I joined Peace early spring of 2016 we have felt welcomed and embraced. We have enjoyed getting to know the members of the church community. Since joining, we have enjoyed delivering pineapples and welcoming new comers to our community, we have also worked in the Peace Café, and we look forward to volunteering together as greeters and ushers. I am an active member of the outreach committee. I moved to Watertown a little over eight years ago, when I married Don. I previously lived in Waconia for many years. Together we have three adult children and seven granddaughters. In my leisure time I love to bird watch, antique and garden. There is something therapeutic about digging in the dirt and watching my plantings grow into something beautiful. One of God's many gifts is nature's beauty in plants and animals. I have worked in the medical field for many years, for almost the last thirty as an oncology nurse. I have worked for Ridgeview Regional Radiation Oncology for 15 years as their radiation nurse. Looking forward to retirement in the next year or so. Thank you for your consideration, Mary

Financial Ministry Report

The financial Ministry Team Members for 2016 were Judy Jacobson, Sue Buelke, Marty Malmin, Andy Johnsrud, Glen Hulley, Mark Foster, Harlan Sundblad, Dan Buelke, and Paul Nesvold.

Our financial Ministry Team thanks all Peace families for their generosity during the year. We were able to finish the year strong, with a carry over for 2017 of about \$15,000. This was extra special, because during the year, we were able to raise

over \$100,000 to fund the move in costs for our wonderful new addition.

Our team would like to give Marty Malmin a special thanks for all his help and patience during the transition period for Judy, Sue and myself. Thanks also to Judy and Sue for the many hours spent keeping the books for Peace during 2016.

Paul Nesvold

for Holy Communion, Baptism, and the various festivals and seasons of the Church year. Our group assists with seasonal decoration of our worship center.

Highlights of 2016:

- Set-ups for Holy Week, Easter, and Christmas – including flower orders and maintenance
- Special set-ups for baptisms, confirmation, Maundy Thursday, and Good Friday
- Welcomed Ruth Clark and Doris Swenson to our ministry team
- Purchase of Liquid Candles for Advent candelabra

Altar Care Report

Leader: Barb Schansberg.

Who we are: Our group currently consists of Barb Schansberg, Sherry Essig, MaryAnn Hoese, Karen Hoernemann, Heidi Thaemert, Jackie Cramb, Doris Swenson, Ruth Clark, and Cathy Rieckenberg. Sadly we said goodbye this year to our faithful servant, Phyllis Leaf. Any adult member of Peace Lutheran is welcome and encouraged to join this ministry. We are sincerely devoted and feel privileged to serve our Lord in this way.

What we do: We are “caretakers” of the altar, lectern and baptismal font along with their presentations. As such, we prepare for worship by setting up and maintaining supplies

Technology Team Report

The Technology Committee is a team of members that provide a valuable service to the church. We depend on them for hearing God's Word, for singing our praises to Him and guiding us every Sunday through Worship.

This year Technology was very active with upgrading the sanctuary and the church computer system and with including new equipment in the new addition. We contracted with AVE (Audio Visual Electronics) for this work. Below is a list that encompasses the work that was completed.

Sanctuary

Confidence screen in the back of the sanctuary to project the worship songs, liturgy and etc. Williams hearing-assisted devices (4).

New Addition

- Laser projection monitor and pull-down screen in the large Fellowship Hall
- HD Sony television in the large classroom for Sunday School & in the Conference Room
- Many speakers throughout the addition for sound projection

Software

Software and hardware to monitor and control the sound between the sanctuary and the Fellowship/Sunday School classroom. These are wall-mounted pads that control what you can hear and see and where.

Main Computer

Upgrades/replacement of our main computer to a server to setup an actual network environment in the church. This will become more important as it allows Pastor and the Administration staff the capability to work from multiple computers and locations around the church.

Outreach Ministry Team Report

Per the Outreach mission statement, The focus of our ministry is to serve, reach, and embrace our community with the love of Christ, with the hope of welcoming everyone in Christian love, through the word of God. Outreach was very busy in 2016, we:

- Delivered 234 pineapples to new move-ins in St. Boni, Waconia, Watertown, Mayer, and Delano south of Hwy 12 in January, March, May, July, and October.
- Hosted 4 Get-to-Know You/Us Brunches in January, April, June, and September.
- Hosted 5 New Member Sundays in January, April, June, September, and November.
- Organized Guess Who's Coming to Dinner with 5 host homes and 36 participants in February.
- Prepared/served a Lenten Soup Supper in March.
- Oversaw the Easter mailing to Watertown in March.
- Advertised for Easter, MN Teen and Adult Challenge Choir, Building Dedication, Looney Lutherans, and Christmas.
- Determined/assembled materials for new member packets.
- Hosted MN Teen and Adult Challenge Choir in April.
- Ordered the donated You Are Now Entering the Mission Field sign.
- Hosted the Re-Union Picnic for new members from 2015-2016 at the Johnsrud's in August.
- Hosted the Prayer Walk at Nesvold's in October.
- Hosted a table for Ladies Night Out in Watertown in October.

This list of improvements is a high level look at what has been completed. There are many other improvements that have made a huge impact on moving our church programs.

None of this would have been possible without the dedication from the Technology team. Each one of them played an integral part in making this happen. Many of them do not work in the computer industry but they had a desire to help us grow and make it all possible. Thank you all for your help. Carl Choate, Robert Dean, Erik Strand, Sue Beulke, Doreen Seal, Rebecca Lotito, Dan Junczewski, Pastor David, Kristi Mittelstaedt.

I also want to give a shout-out for those that help out on a weekly basis to help us hear, see and to read God's Word.

Powerpoint: Edie Hanson, Rachel Lotito, Rebecca Lotito, Pastor David Hanson

Audio: Bill Hoernemann, Phil Schansberg, Erik Strand, Lotito Family

Bulletins: Barb Schansberg, Sue Beulke

Video: Doreen Seal

As you can see the Video team needs more people to help so we can build a rotation. This would be a great opportunity for our high school kids who are confirmed and would like to do this for their Time & Talent.

During 2017 we will continue to upgrade our computer systems and add additional software to help make the Administration jobs easier.

- Hosted the Building Dedication in November.
- Hosted two performances of the Looney Lutherans in November. Gross sales of \$4,745 and provided Upcoming Events handouts to all guests.
- Rested and enjoyed fellowship at a Christmas dinner at the Peterson's in December.

In addition, we sent thank you cards to all visitors, oversaw the guest book, and funded the devotional Our Daily Bread (available to all members and guests). We are brainstorming for special events and new ideas for 2017 and will be looking at new/improved ways to reach out to the surrounding communities. Also on our agenda is a Welcome Center and/or kiosk to serve both members and guests, for which we will likely gather input from/work with the Hospitality Team.

THANK YOU to the congregation for helping with pineapple deliveries, providing bars/food for Peace's special events, seeking out and talking with our guests, and being supportive.

If you are interested in having fun, sharing Peace with the surrounding communities, and welcoming people to Peace please talk with any of the Outreach team members: Cathy Rieckenberg, Doreen Seal, Doris Swenson, Joan Nesvold, Julie Choat, Mandy May, Mary Barfnecht, Nicole Johnsrud, Sharon Weinzierl, Shawn Perez (first ½ 2016), Tracy Hulley, Amy Peterson, MB Rep Bob Rieckenberg or Pastor Dave.

Pastor David open the Annual Meeting with prayer.

Open Forum: Butch Essig spoke that we have lost 4-5 church members in the last 5 years and that there is interest in having a columbarium built/designed during or soon after the building addition is completed. There is not an interest for a private cemetery as there are particular laws around it that are hard to overcome. The word 'Columbarium' means 'Pigeon Hole' or 'Memorial Wall'. It costs approximately \$20,000 to build one depending on the size. A form was distributed to members to indicate if they are interested in having a Columbarium built and if they would consider being on a committee to develop it.

Agenda: A motion was made by Bill Hoernemann/Leif Pederson/Carried to adopt the Agenda as presented.

Serve:There are many opportunities and missions that we all can serve at (ie: Feed My Starving Children, etc).

Go:Share the passion and gifts you have for Jesus Christ.

He also gave thanks to our church

leadership. He said to lift them up, affirm each other with praise and gratitude for God's Word. Pray, support and find ways to help our leadership.

A motion was made by Lillie Tesch/ Butch Essig/Carried to accept the Pastor's report.

President's Report: A motion was made by Bob Rieckenberg/Heather Hanson/Carried toaccept the President's report as presented.

2015 Financial Review: Marty Malmin stated that we ended 2015 \$7,171 in the red. Our income was \$147,161 and expenses were \$154,332. Marty is not alarmed with the deficit as he recounted the many accomplishments of the year:

Outreach Ministry Team Report

The Property Ministry Team is made up of volunteers who offer their time and talents to ensure the facilities are maintained in good repair and appearance.

This group maintains the heating, plumbing, mechanical, electri-cal and security systems within the church. Property is respon-sible for the maintenance of supplies, carpet cleaning and the large job of custodial services which includes regular cleaning twice weekly. The exterior maintenance includes regular gar-dening, weeding, mowing, fertilizing, and snow removal. This group replaces light bulbs which doesn't seem like a large job in the "reachable places" yet planning for those parking lot and sanctuary light bulb changes can be a bigger task.

The new addition brought about a few new tasks and more work! This group works diligently all year long to keep Peace looking well maintained. A few highlights of 2016:

- Moved Trash Enclosure and tie-down Enclosure
- Larger gutters to accommodate larger roof runoffs
- Drainage improvements around the existing building.
- Installation of a larger sprinkler system and sod
- Landscaping & Rain Garden Installation and Maintenance
- Rugs for the entrance and blind installation

- Purchased Tool Shed
- Planted two trees per city requirement
- Parking lot Maintenance, sweeping and installation of Guest signage
- Installation of the Safe, and Air Conditioning Fence

A Special Thank you to all of the helpers who assist to maintain the building and grounds. To our fun group of "coffee guys" (Norm Bauer, Bill Hoernemann, Phil Schansberg, Paul Nesvold, John Weinzerl, Butch Essig, Jim Lindgren and Jake Jacobson) who quietly ensure the building is clean each week!!Thank you guys...we couldn't do it without you! To Marty Malmin to has countless hours in the maintenance of the seasonal plantings and décor! Thanks to Jerry Berg providing the lawncare ser-vices. To myself, my kids and Kris Hanson for the snowplowing and shoveling services. To those who assisted with deliveries of furniture for the church this past year with the new addition! To all those who lend a hand whenever something is needed for the grounds of Peace...thank you!

We welcomed Ben Simon to the Team this year and we are grateful for his willingness to join our group and lend a hand! We are always looking for others to serve. It's a fun, hardworking group of people –please contact Tom at tom@tmpainters.com or call his cell #612-805-1871 to learn more!

Stewardship Committee Report

As I sit down to write my third stewardship com-mittee report, I find that another year has gone by at Peace Lutheran Church and all I can say is WOW!

The stewardship committee was made up of Sue Beulke, Pastor Hanson and myself. I am happy to report that Jon Peterson will be on the committee this coming year and taking over as chairperson the next year. We still are looking for others to join us as more things can be done with a larger group as well as more ideas for stew-ardship within the church.

Our theme this year centered on the 500 year anniversary of Martin Luther. The theme carried through fund raising and the dinner we had on Celebration Sunday, October 30, 2016.

We distributed 90 stewardship packets of which 55 "Faith Promises" were returned. 51 pledges were made and 19 households increased their pledges over last year and 8 new households we pledging for the first time.

With all the data gathered, we came up with the following:

2017 Faith Promises	\$195,496
2017 projected non-pledging gifts	\$ 7,500
2017 new member gifts (estimated 21 households)	\$ 10,000
2017 projected special offerings (Christmas, Easter, etc)	<u>\$ 10,000</u> \$222,996

Our proposed 2017 Budget \$231,213

2017 projected operating deficit (\$ 8,217)

Music Ministry Report

This year we have attempted the breakouts of two sepa-rate choirs for our kids to accommodate the many ages of kids in our church and the desires of those kids as well as parents who wanted to see age appropriate music being taught and learned. This year we have broken out into two choirs; one is our Children's Choir which ranges in age of preschool-4th grade and then our Praise Choir which is 5th-12thgrade. This is an evolving program as it is the first year and so there have been some learning opportunities and growing pains. CD's were made with the music/songs being taught over the year for the kids to listen to in the car, at home, wherever and this has been a welcomed addition.

Due to this being a new routine in the church and acknowl-edging a desire from all in the church to have our young-sters (Children's Choir) learn the oldies of the Sunday

We are hopeful with the generosity of so many that we will meet this need and exceed it.

Also, the "Moving Forward" campaign was well received and many generous gifts helped us move into the new addition. We are very blessed at this time to not have mortgage debt, with the exception of those outstanding bonds for approximately \$150,000.

A generous congregation makes it easy to be on the stewardship committee. We must stop and give thanks to the Lord for the blessings and opportunities given to our church. Very seldom will these ever happen to a startup congregation.

Many Thanks to Sue Beulke and Pastor Hanson for all their help and we welcome Jon Peterson to our group...and there is room for others!

Sincerely in Christ, Gerald E. Hendricks

Thank You Everyone! Together We Make A Difference!

School music (Do Lord, This Little Light of Mine, Down in My Heart, Jesus Loves Me, etc...this is a long list) and then for the kids who have these songs down (Praise Choir) to get a chance to sing their New Favorites that they hear on our Christian radio stations. Our desire and hope is that the parents of our church and the youth of our church, see this as an opportunity and will get involved (or encourage that involvement in this program). The beauty is that nobody has to be a concert level singer...what we sincerely desire is that their hearts will always have a song in them that they can easily go to when times are tough... and even when the times are good. So please join us in this effort of evolving this ministry. Meghan Weaver is the lead for our Praise Choir and Nicole Johnsrud is lead for the Children's Choir. We currently have our Children Sing-ing the second Sunday of every month.

Adult Choir Report

Peace Lutheran Church's Adult choir sings for Sunday morning services at least two Sundays per month. It holds its rehearsals at 8:15 a.m. of the day on which we sing, with special weeknight rehearsals scheduled, as necessary, for Christmas, Easter, and other choral events. Our goal and our joy is to choose thematic music in keeping with Pastor Hanson's sermon topic and/or scripture readings to enhance the overall worship experience. Peace enjoyed being part of a Thanksgiving week ecumenical church service with several area churches gathering at Evangelical Church in Watertown this Thanksgiving time, with Peace's members representing the largest group attending, with both adult and children's choirs this year! Those members of our congregation who love to sing are always welcomed and encouraged to join us. In addition to Adult Choir, Peace is very blessed to have many talented and willing singers who bless us with Special Music in the

form of solos, duets and instrumental offerings approximately twice monthly.

Christian Education Ministry Team Report

Our Christian Ed program has truly experienced an exciting time over the last year with the completion of the expansion of the church and moving into the new space for Sunday School. Our classes have grown and the space we now get to share with our children is truly a blessing for those of us who get the privilege of teaching the youth as well as to the kids. We currently have five breakout classrooms and 22 children registered for Sunday School from preschool-6th grade. Our middle and high school kids also meet and range in size for attendance but sees an average of 10-12 kids on any Sunday in the conference room. Our Sunday School curriculum has continued with SOLA and this year has been the Old Testament of Prophets and Kings. The older kids are meeting and discussing current topics with Colette Thorson as the lead teacher. Teachers this year; Stephanie Hanson, Shawn Perez, Meghan Weaver, Colette Thorson, Nicole Johnsrud & Pastor Hanson.

Additionally, our Sunday School kids get to partake in music prior to classtime and we also have a large group meeting where they discuss how the kids are doing, if they have prayer requests and we do a Sunday School offering. We have a goal of \$500 for chicks to be purchased for sustainable farming in International communities. We are close to that goal and anticipate that we will be making that donation before the end of February.

We continued our second year of SPARK in the fall and currently have an attendance of 23 kids that attend this after school program. When kids come they ride the bus to the church, enjoy some free time to do homework, color, word finds, enjoy a snack and then have an opportunity to watch a Bible Story on the screen in the Sanctuary and then they breakout into small groups according to age and go through 20-25 minute stations; crafts, devotional, games, music and then enjoy a meal before going home. Assistance for this program comes from Shawn Perez, Joseph Perez, Ben Simonson, and Nicole Johnsrud.

Our confirmation program continues to build with our youth and we currently have nine students in the confirmation program. This year we will have four students being confirmed. Our Confirmation students meet at 6:30 and they continued with the same curriculum we have done the last two years. The three year confirmation study includes; New Testament, Old Testament and then Combination/Review and adding in Catechism and Lutheran teachings. Teachers this year include; Jon Peterson, Colette Thorson and Pastor Hanson.

Our Adult education continues with studies that come up at different times; our latest is *Having a Mary Heart in a Martha World* being led by Pastor Linda Boyadjis. This group(s) meet Tuesdays

and Thursdays once a month at different times to allow schedules of many to try and connect with others and learn from Linda a wonderful lesson. We are open to suggestions and would love to learn from others in the congregation their needs and desires of what they'd like to see.

We are also partnering this year with Hospitality as we have a Field Trip planned for the Martin Luther Art Exhibit at the Minneapolis Institute of Art in January. This will be done with a group bus ride to the museum and then followed up with fellowship together at a local restaurant-German of course.

Christian Ed has seen some major changes this year in the transition from Diane Malmin to now Nicole Johnsrud being the head of Christian Education Committee. There are big shoes being filled but Diane has been gracious to continue her involvement in the committee with her knowledge and input. We welcome any who are interested in joining this group as we continue to grow this ministry and continue to make a positive impact on our church members with relevant content, studies and information as well (and if not more importantly) for our youth to help building a foundation in their relationship with our Lord and Savior, Jesus Christ.

Youth Activities Team Report

Committee Members: Meghan Weaver, Colette Thorson, Heidi Thaemert, Rachel Lotito, Joseph Perez, Anna Benson, Sarah Strand.

First, it is important to take time to thank each ministry team member as throughout the year they have put numerous hours into this committee and the activities. It is also important to thank the parents of the youth and our youth as they have really made this Youth Activities group thrive.

In the beginning we strategized on how to bring youth together, make them feel comfortable together and continue to build relationships amongst each other so a Youth Activities event was not a "I have to go..." but rather "I WANT to go!" It was through the immense preparation and the care and thoughtfulness of this team that ensured our youth did have the "I WANT to go!" mentality to these events.

In November of 2015, we went on an overnight camp-out on Lake Minnetonka with around 10 youth attend. It was awesome. In December of 2016, we concluded our year with a bowling event in Delano where we had 29 youth attend. Throughout 2016, we continued to see an increase in our youth attendance at each event. It was such a blessing to see God's work at hand and watch the increase in attendance within just one year.

During 2016 we had various activities which included: cosmic tubing, movie night at Pastor's house, roller blade night, bowling, overnight stay on Lake Minnetonka, end

Missions Ministry Team Report

Committee Members: Julie Choate, Ruth Clark, Edie Hanson, Barb Schansberg, Carole Sundblad, Lillie Tesch, Heidi Thaemert, and Sue Ziermann

The Missions Team continued to meet the third Monday of each month in 2016. As a team, we determined the recipients of PLC's 2016 benevolence dollars (N.B. -- all organizations and donation amounts were approved by the Ministry Board) and utilized our discretionary funds to support those locally in need via the Good Samaritan Fund, a one-time donation to a family with extreme medical needs, and the homeless blessing bags.

In addition to monetary gifting decisions, the Missions team organized several opportunities for PLC members to volunteer and serve those in need.

of the year bash, back to school bash for high schoolers, created the best float in the Rails to Trails parade, and a had our first annual chalk color war. We also adopted a Highway and did a ditch clean up twice in 2016.

As we look into 2017, we are excited to build upon the momentum and success of 2016. There are various events already planned. The Committee is excited to see where Youth Activities is at the end of 2017. As we continue to grow, we thank God as without His love none of this would have been made possible, Pastor Hanson for his continued help to encourage and inspire the youth, and the Peace Lutheran Congregation for their continued and constant support and prayers as the youth attended all these events.

We continue to encourage all youth, parents and church members to become involved. We are open and welcome to new youth, new volunteers and new ideas!

Sarah Strand, 2016 Chair

Don't let anyone look down on you because you are young, but set an example for the believers in speech, in conduct, in love, in faith and in purity.
1 Timothy 4:12 NIV

Some of the organizations supported were local, while others were national and/or international (see table below for Mission specifics).

On September 25, we hosted PLC's second Mission Sunday. Dorothy DeSens, President of the New Hope Mission Society, was our guest presenter. During the Peace Café fellowship that followed, we collected \$130.00 which we then donated to Feed My Starving Children during our October packing session event.

As two of our active long-term team members have elected to step down in 2017, we are in need of new members. Please consider joining us. Our meetings are held at church, typically the third Monday of the month at 6:30 P.M., and are open to all. If monthly meetings are not for you, we ask that you continue to support us, via prayer, donations and/or event participation.
